

This four year guide is a recommended semester-by semester plan of study for this major. All four year guides are meant as examples of how a degree can be completed in four years. Individual plans will be developed for each student in consultation with the academic advisor. Prior credit, course availability, and student needs must be considered in developing the individual plan. Shaded areas of plan require special attention.

| Course Subject and Title | Credit<br>Hours | Min.<br>Grade<br>Required | Included<br>in Major<br>GPA | Important Notes<br>POS = Program of Study |
|--------------------------|-----------------|---------------------------|-----------------------------|---|
|--------------------------|-----------------|---------------------------|-----------------------------|---|

|   |     | Seme   | ster One:   | [16 Credit Hours]   |
|---|-----|--------|-------------|---|
| MAT 1025  | 4   | C-     |             | If needed as prerequisite to MAT 1110; Otherwise take MAT 1110 here. Can take fall or spring first year   |
| UCO 1200  | 3   |        |             | First Year Seminar (may take fall or spring first year)   |
| CHE 1101 & 1110                                   | 4   |        | х           | Counts towards Gen Ed Science Inquiry as well (PRE: MAT 1020 or equivalent test score)  |
| BIO 1801  | 4   | С      | Х           |   |
| Gen Ed Wellness Literacy                          | 1   |        |             |   |
|   |     | Seme   | ster Two:   | [16 Credit Hours]   |
| RC 1000   | 3   |        |             | May take fall or spring of first year   |
| CHE 1102 & 1120                                   | 4   |        | х           | Counts towards Gen Ed Science Inquiry as well (PRE: MAT 1020 or equivalent test score)  |
| BIO 1802  | 4   |        | х           |   |
| MAT 1110  | 4   |        | х           | If taken in Semester One, take free elective here; Counts as Gen<br>Ed <b>Quantitative Literacy</b>   |
| Gen Ed Wellness Literacy                          | 1   |        |             |   |
|   |     | Semest | ter Three   | : [16 Credit Hours]   |
| BIO 2400 or 2700                                  | 3   |        | х           | May take fall or spring of sophomore year   |
| CHE 2201 & 2203                                   | 4   | C-     | х           |   |
| STT 2810  | 3   |        | х           |   |
| RC 2001   | 3   |        |             | May take in fall or spring of sophomore year  |
| Integrative Learning Experience<br>(ILE) Course 1 | 3   |        |             |   |
|   |     | Semes  | ster Four:  | [14 Credit Hours]   |
| BIO 2012  | 3   |        | х           | May take fall or spring of sophomore year   |
| Required Anatomy & Physiology<br>Course           | 4   |        | x           | Choose one course from <b>Required Anatomy &amp; Physiology</b> area<br>on POS; May be taken spring of sophomore year or fall of junior<br>year |
| CHE 2202 & 2204                                   | 4   | C-     | х           | Minimum grade of C- is required for CHE 2202 as a prerequisite to CHE 4580 to be taken next semester  |
| Liberal Studies Experience Course 1               | 3   |        |             | HS or LS or FA or SS Designation  |
|   |     | Semest | er Five: [: | 17-18 Credit Hours]   |
| Evolution/Ecology or Biodiversity<br>Electives    | 3-4 |        | х           | Choose one course; Need a total of 15 hours from overall<br>Biology Electives in the Areas section on POS;                                      |
| BIO 2600  | 3   |        | Х           |   |
| Required Cell/Genetics<br>Laboratory Course       | 1   |        | х           | Choose one course from <b>Required Cell/Genetics Laboratory</b><br>area on POS; (BIO 2410 or 2610)  |
| CHE 4580  | 3   |        | Х           |   |
| PHY 1103  | 4   |        | х           |   |

## All BIO courses and all courses used in Major Requirements section are counted in the major GPA.

| Program Categories              | Hours | Important Notes – Be sure to check for Gen Ed courses required in<br>your major |
|---------------------------------|-------|---|
| First Year Seminar              | 3     | Can be taken first or second semester of freshman year                          |
| Wellness Literacy               | 2     |   |
| Quantitative Literacy           | 4     |   |
| First Year Writing              | 3     | Can be taken first or second semester of freshman year                          |
| Sophomore Writing               | 3     |   |
| Integrative Learning Experience | 9     | Must choose a minimum of two disciplines  |
| Liberal Studies Experience      | 12    | Must choose a minimum of three disciplines                                      |
| Science Inquiry                 | 8     |   |

You must also meet the Fine Arts, Literary Studies, Historical Studies, and the Social Science Designations. Those may be met within the Integrative Learning Experience and the Liberal Studies Experience.

## Additional Notes:

- A minor in Chemistry may be completed by adding CHE 4581.
- <u>Residency Requirements</u>:
  - o 32 hours must be from ASU
  - 18 hours in the major must be from ASU
  - 9 hours in the minor must be from ASU
  - Final 30 hours must be courses taken through ASU (includes internships, study abroad taken through ASU)
