

### BS, Career and Technical Education Family and Consumer Sciences Education 456D College of Education Curriculum and Instruction

2016-2017

This four year guide is a recommended semester-by semester plan of study for this major. All four year guides are meant as examples of how a degree can be completed in four years. Individual plans will be developed for each student in consultation with the academic advisor. Prior credit, course availability, and student needs must be considered in developing the individual plan. Shaded areas of plan require special attention.
